

# Customer Warranty Request

We hope you are enjoying your new home! Elevated Construction will be contacting you at your 30-day mark to see how everything is going. During your first month we ask that you please track any items you notice so nothing is missed when you turn in your list.

After your 30-day mark we ask keep track of warranty items that come up over the following months. When you are in your home for 11 months, we ask that you turn in a one-year warranty list. This way all items can be tracked during your warranty period.

In case of an emergency or something that can't wait for the 30-day or 11month timeline don't hesitate to call.

**This list can be turned in via email or mail.**
